Please note that in addition to the traditional 999 or 101 we can be contacted on our email address is [snafiley@northyorkshire.pnn.police.uk](mailto:snafiley@northyorkshire.pnn.police.uk). Please do not report incidents to this email, but if you would like to speak to a member of our team for advice then please use it.

If an incident of Anti-Social Behaviour occurs which you would like Police to deal with then please report this as soon as possible after the event to allow Officers the best chance to deal

with the culprits. Please do not wait until next time you happen to bump into an Officer or Parish Councillor. It allows us to make connections with other incidents and deal with individuals for patterns of behaviour rather than incidents in isolation. It does not matter if no suspects have been seen or cannot be identified; we may have this reported on another nearby incident and be able to link them.

PC Bilton has this year carried out various wildlife talks in his role as rural Officer and Wildlife Crime Officer. If any parish councils would like any information about wildlife crime then please contact your rural team.
